3. If you think that you are not good at recitation then click “play” and recite with the Sheikh. You can also use <https://quran.com/> and <http://www.quranexplorer.com/> for recitation assistance. Please make sure you read the meaning and/or listen to it as well.
4. We will create a WhatsApp group for participants to update, ask questions and discuss issues. We may organise Quran circles periodically to accelerate the reading and encourage others.
